

Amongst The Chaos

A photographic exhibition by Ethan Grigg

Twentysix Gallery

February 1st - February 18th 2024

A photographic exhibition by Ethan Grigg

Amongst the Chaos documents a solo journey with the aim to explore and capture alternative views across Europe. Showcasing the chaotic urban landscapes and highlighting the serenity that can be found amongst the chaos. The exhibition features a full collection of 35mm photographic film, allowing the rich colours of the landscapes to flourish.
